

Employee Risk Checklist

Below is a sample of some of your business risks. Review the business statistics first. Place a **Y/N** next to each answer to measure if you are at risk. (**N** = potential risk!)

Recruitment

- The second biggest constraint on investment after taxes was a lack of quality of staff
- One in four hiring's fail
- The real cost of hiring the wrong person is double their annual wage

Your Business Check

- Do you know how to select the right person for the job?
- Do you know what to ask and what to look for in an interview?
- Are you starting staff in the best way with good orientation processes in place?

Performance Management

- 44% of staff employed for over a year have had change in their position responsibilities
- 63% of businesses find counselling staff difficult
- New legislation means changes in work practices – workplaces are unprepared

Your Business Check

- Are your position descriptions up to date and are you covered if staff positions change?
- Do you have clearly defined processes for staff counselling?
- Do you have up to date processes in place that will protect you?

Engagement

- Highly committed employees try 57% harder
- Highly committed employees are 87% less likely to leave
- More than 1 in 10 employees are actively disengaged

Your Business Check

- Do you know the level of engagement of your employees?
- Have you completed an employee satisfaction survey in the last 12 months?
- Is your organisations strategy for engagement and motivation working?

Leadership

- 78% of employees lack clarity of management expectations
- 70% of change initiatives fail to meet their aims
- 60% --65% of employees see their immediate manager as the major source of dissatisfaction with their job

Your Business Check

- Are you developing and coaching the leaders in your organisation?
- Is the leadership seen as positive throughout the organisation
- Are your managers leading or managing into the future?
